

Multicopy

NEXT

Multicopy NEXT is a premium paper that supports climate action in partnership with Climate Impact Partners. As part of Sylvamo's commitment to reducing greenhouse gas emissions, the company discloses the carbon footprint of Multicopy NEXT paper, Sylvamo's carbon reduction targets and the climate projects supported in partnership with Climate Impact Partners. Multicopy NEXT has an excellent runnability and offers great print results in colour as well as in black and white.

Multicopy NEXT is available in A4 and A3.

Technical information Target values	Method	80 g/m ²
Moisture content, % Cut size	ISO 287	4.1
Thickness, µm	ISO 534	105
Smoothness Bendtsen, ml/min	ISO 8791	160
Opacity, %	ISO 2471	92
CIE Whiteness	ISO 11475	168
